A Note from the Principal...

Happy New Year!

January is always about fresh beginnings and positive change. I love the promise of the New Year and all the possibilities that exist for our children here at St. Joseph School and their future.

With a new and exciting year upon us, I would like to take this opportunity to emphasize the importance of maintaining the quality partnership between home and school.

On behalf of the entire SJS family, may 2018 bring you good health, happiness and much success.

Yours in Christ,

Karen H. Cavaness, M. Ed.
