A Message from the Principal...

Dear SJS Family,

I can't believe May is here and we are making preparations for the end of the school year. The strength of our school community, wholehearted passion to make our school a wonderful place of learning and our rich Catholic values makes SJS truly a special place.

With that, please be reminded of the following announcements as the end of the school year draws near:

1. April 30th is the last day to complete the online application for the Scholarship Fund for Inner City Children (directions are included on the last page).
2. Registration for the 2018-2019 is open. Please note: Each year students must register. All forms must be completed in the main office upon the time of registration
3. Registration for the summer program is ongoing. Applications can be obtained in the main office.
4. The main office will close daily at 5pm. Please plan accordingly when needing to handle business.
5. Effective May 1, 2018 No personal checks will be accepted towards current year balances.

Yours in Christ,

Karen H. Cavaness, M.Ed.
Principal

Peacemakers in Progress

By: Kaylin Tapper

On April 17th a group of 7th grade students and myself traveled to Union Catholic for a Peacemakers in Progress Seminar and did many fun things. When we arrived we were separated into different groups that would remain

with that team for the duration of the day. We played games that allowed us to get to know other students that were in attendance. In addition we answered questions and reflected about the ongoing issue of bullying and how it effects others. The most intriguing part of the day was completing an obstacle course while blind folded. That definitely taught us trust! Especially with individuals we were just meeting for the first time. Overall, the day was very fun and knowledgeable. I most enjoyed meeting other students from the Archdiocese.

SJS Summer Camp 2018

Mr. Lance Lee, Director
