January 11, 2017

Dear Parents and Staff,

As per the United States Environmental Protection Agency's "Asbestos Hazard Emergency Response Act" [(AHERA) 40 CFR Part 763], an inspection for the presence of asbestos-containing building materials has been completed, and an Asbestos Management Plan developed, for St. Joseph School.

The inspection report and asbestos management plan file are available for review in the school office during normal school/office hours. Upon request, copies will be provided for a reasonable charge.

As required by the USEPA, additional inspections of the school are conducted every six months by properly accredited staff of the Archdiocese of Newark.

"Pride, Commitment and Honor"
