Dear Parents and Guardians,

First, I would like to thank you for your support of St. Joseph School East Orange. Our recent celebration of *Catholic Schools Week* reminded us of the important place Catholic education has in the lives of our students, their families, our parishes, and our Church at large.

In the face of adversity, our Catholic schools remain resilient and continue to serve their primary mission – to form the next generation of servant leaders.

Now more than ever, our Catholic schools and their communities must come together to ensure that their values and faith formation can continue for years to come.

For this reason, I invite our families to prayerfully consider supporting the Annual Appeal of the Archdiocese of Newark. This annual archdiocesan campaign not only supports the charitable work, services and programs of the Archdiocese, but more importantly, will directly support the Catholic Schools of the Archdiocese of Newark.

The events of 2020 have challenged each of us in unique ways but have also allowed our Catholic community to demonstrate what we do best – to teach and witness God’s word and build God’s kingdom.

I hope that you will join me in making a gift to this year's Annual Appeal. To make a gift, please visit www.rcan.org/sharing. There you will also find information on the how this campaign supports our Archdiocesan mission.

May God bless you and your family.

Sincerely,

Karen Cavaness, M.Ed.
